

UTILITIES AND GAS DISTRIBUTION

ABOUT DistributionNOW

DistributionNOW is a leading distributor of pipe, valves and valve automation, fittings, mill and industrial supplies, tools, safety products, and artificial lift systems to the upstream, midstream, and downstream and industrial markets.

We also provide supply chain management, project management, and e-commerce solutions. DNOW associates have extensive knowledge, broad experience, and a thorough understanding of our customers' process and business drivers.

DNOW BY THE NUMBERS

- *150+ year heritage*
- *285+ locations in 20+ countries*
- *300,000 SKUs*
- *One-stop shop*

ONE-STOP SHOP

DistributionNOW's extensive product offerings allow us to be a true one-stop shop. With a global purchasing and distribution network, we can bring products and service from the pipeline to the house with ease. We have the solutions you need, and we are dedicated to helping you find the right products and services.

We also offer the following support for our utility and gas distribution customers:

- Gas utility-specific products stocked locally
- Storm emergency response
- Technical valve and actuation expertise for pipeline and gas distribution

TECHNICAL EXPERTISE

DNOW product experts offer engineered product solutions, working with engineers, operators, and supply chain managers to determine the best solution that fits the requirements of the operation. We improve efficiencies in our customers' supply chain and reduce operational downtime.

UTILITIES AND GAS DISTRIBUTION

DISTRIBUTION
NOW

SPECIALTY PRODUCTS

- Anodes
- Fusion tools
- Paint and coatings
- Pipeline markers
- Pipeline pigs
- Tanks
- Test stations
- Tracer wire
- Valve and curb boxes
- Meter sets

VALVES

- Ball, plug, and butterfly valves
- Gate, globe, and check valves
- Meter valves
- Polyethylene valves
- Instrumentation
- Actuation

FITTINGS AND FLANGES

- Carbon steel (low-temp, ASTM Grade B, high yield)
- Malleable iron
- Polyethylene and electrofusion
- Mechanical fittings
- Tubing
- Repair clamps
- Transition fittings
- Hot tapping and plugging

FABRICATED PRODUCTS

- ASME pressure vessels
- Pipeline pig launchers/receivers
- Vapor recovery units (VRU)
- Skid packages
- Meter runs

PIPE AND COATINGS

- Carbon steel (low-temp, welded, seamless), black or galvanized
- Stainless steel pipe and tubing
- Polyethylene (MDPE, HDPE) pipe
- Fusion bonded epoxy (FBE) coating
- Abrasion resistant overcoating (ARO)
- Powercrete®
- PRITEC®
- Concrete coating
- Cement lining
- Three-coat system

SERVICES AND SUPPORT

- Gas utility-specific products stocked locally
- Storm emergency response
- Technical valve and automation services
- "Cradle-to-grave" project management
- Engineering and design capabilities
- Documentation control
- Online ordering
- Industrial vending technology

TOOLS AND SAFETY PRODUCTS

- Contractors supply
- Abrasives
- Cutting tools
- Hand tools
- Chemicals
- Material handling
- Paint and coatings
- Power tools and accessories
- Measuring tools
- MRO supplies
- Welding supplies
- Paper and janitorial supplies
- Respiratory protection
- Gas detection and instrumentation
- Head-to-toe PPE
- Protective clothing
- Fall protection
- First aid and medical
- Traffic control
- Ergonomics
- Heat stress
- Spill control
- Fire
- Rescue
