

SAFETY & PPE

Prioritising your Safety

DistributionNOW is an industry leading European manufacturer and distributor of Safety and Personal Protective Equipment (PPE), servicing clients worldwide. With a vast inventory we operate an extensive industrial distribution network from strategically placed locations utilising the DistributionNOW global footprint.

Offering cost-effective and complete supply solutions across a range of product divisions, DNOW offers a flexible, knowledgeable and reliable service to all of our clients from small and medium enterprises to international blue-chip corporations. We have established relationships with leading brands and manufacturers around the world and specialise in supplying the oil & gas, renewable energy, petrochemical, marine, engineering & fabrication sectors and can offer a premium distribution service tailored to individual customer requirements.

SERVICE CENTRE

State of the art after sales & certified Service Centre offering equipment hire, on-site servicing, repairing, cleaning & certification of marine lifesaving, PPE & fall arrest equipment

BRANDING

Expert embroidery, badging & heat-seal facilities in-house offering a high quality service & prompt turn-around times for company branded workwear & personalisation

ECOMMERCE

Full punch out ensuring speed of ordering, reduced administration & comprehensive invoicing. On-line catalogue with quick access to product information & specification

SUPPLY CHAIN

Operating a refined, proven & flexible model to support & enhance customer supply chain operations, allowing customers to focus resources on their core activities
