DISTRIBUTION
NOW

“We have specialist knowledge of the marine industry that only comes with experience.”

▼ MARINE

DNOW has deep roots in offshore supply and ship chandlery, making us the perfect supply partner for a full range of PPE and MRO equipment needs in the marine industry.

With specialist knowledge of vessel requirements that comes only with extensive experience of the marine industry, DistributionNOW has the capabilities to support vessels for platform and construction supply, transfer vessels and ships used for exploration and survey.

We are members of the most well-known marine based associations, ISSA, IMPA and offer trading services through an online ShipServ membership and TradeNet ID.

▼ KEY PRODUCTS

- Marine paints and chemicals
- Janitorials and vessel consumables
- Marine life saving equipment
- Ropes, rigging and chains

▼ KEY SERVICES

Equipment hire

We have a range of equipment available to hire on flexible agreements, including SOLAS approved Ursuit marine immersion suits.

Ship chandlery

In line with our SupeRun stock consignment management system, we can provide a full ship chandlery service taking the responsibility for all consumables and equipment needed for vessels.

Full document compliancy

With every order, we can supply fully compliant documentation in line with the necessary requirements, including certificate of conformities and certification documents for European standards.

Marine safety equipment servicing

In addition to our Ursuit immersion suit hire service, we also offer servicing and repairs for SOLAS approved marine safety equipment.

▼ CASE STUDIES

Boston Putford

Boston Putford Offshore Safety Ltd operates a fleet of support vessels in both the North Sea and other areas. DNOW has long been providing reliable supply solutions for their required PPE and MRO equipment.

"DNOW have been supplying Boston Putford for many years and are one of our key suppliers. The service and response is prompt and our requirements are always dealt with in a professional manner."

Purchasing Manager

Windcat Workboats

Windcat Workboats owns and operates a growing fleet of over 36 offshore crew transfer vessels. We supply them with a variety of workwear and PPE for the tough conditions of offshore sectors.

"We've been using DNOW for our work wear requirements since October 2013, they supply us with high quality products and provide an excellent service."
