“We are a key player in the supply of PPE and MRO equipment to offshore sectors.”

## ▼ OIL & GAS

With bases in the energy industry capitals of the UK and over 150 years of industry experience, DNOW is a key player in the supply of PPE and MRO equipment to offshore sectors.

We have partners in key global locations like Ghana, Nigeria, Singapore and Azerbaijan and have supplied some of the world's largest brands in oil and gas.

We have held large contracts for many years, despite competitive tendering processes, due to our reliable service and capabilities.

Our three internationally recognised accreditations (ISO 9001, 14001 and OHSAS 18001) and FPAL registration prove our commitment to providing high quality distribution services to the oil and gas industry.

## ▼ KEY SERVICES

### Worldwide logistics

We have an extensive network of partners worldwide and have regular consignments shipping globally meaning we can offer a reliable logistics service across the UK and the rest of the world.

### SupuRun consignment stock management

We can manage stock levels on clients' behalf, ensuring their essential items are always available. We invoice monthly for what has been used (not what is on the shelf).

### Alterations and repairs

With skilled seamstresses on-site, we can make small alterations and repairs to workwear in-house to ensure the best fit and highest quality clothing. We also offer workwear personalisation services in-house.

### Equipment hire

We have a range of equipment available to hire on flexible agreements, including welding equipment, engineering tooling, power tools and machine-shop equipment, as well as Ursuit marine immersion suits.

## ▼ CASE STUDIES

### Rowan Drilling

Rowan is a global provider of offshore contract drilling services. DNOW supplies a wealth of PPE and MRO equipment for use on Rowan's drillships and jack-up rigs.

*"DNOW has played an integral part in our offshore and onshore operations by providing high quality products at competitive prices with realistic delivery times and backed by professional knowledge."*
